

NUST – LMS

Assignment Submission in LMS Course

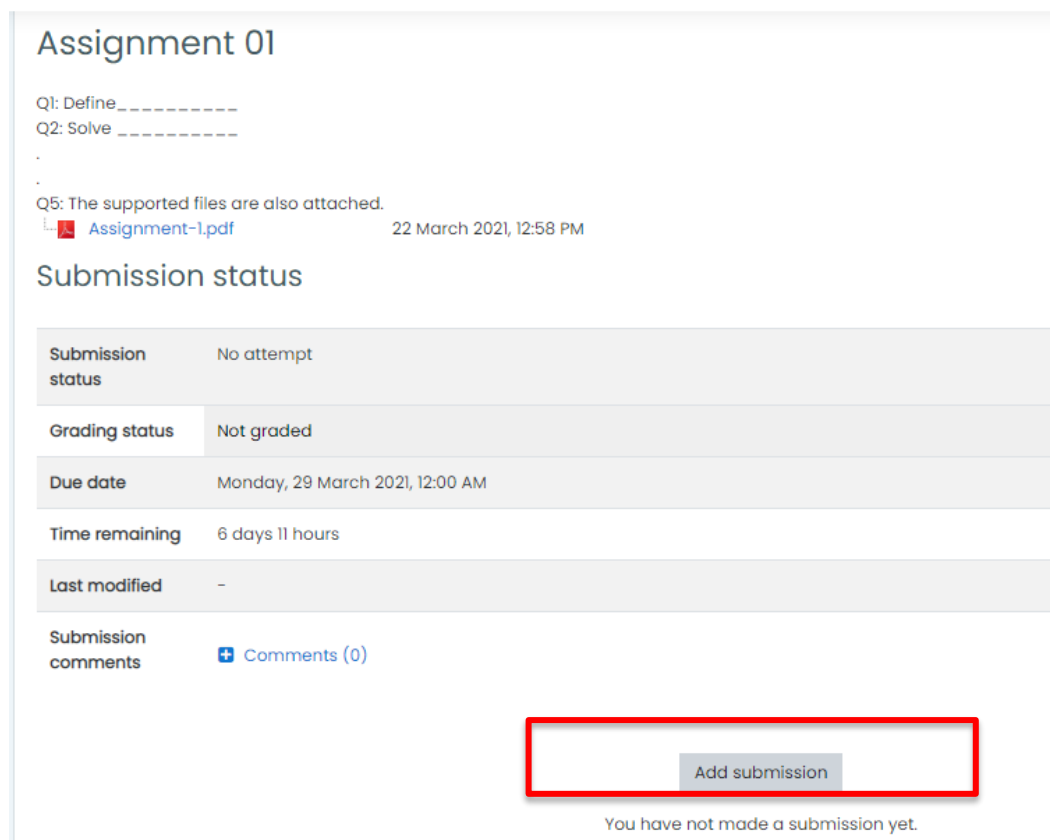

The assignment activity provides a space into which students can submit work for teachers to grade and give feedback on.

Student View:

1. Login to LMS and open your course.
2. Look for the assignment link in respective section of the course

3. Click on the assignment link and after completing your assignment, click on “Add submission” button.

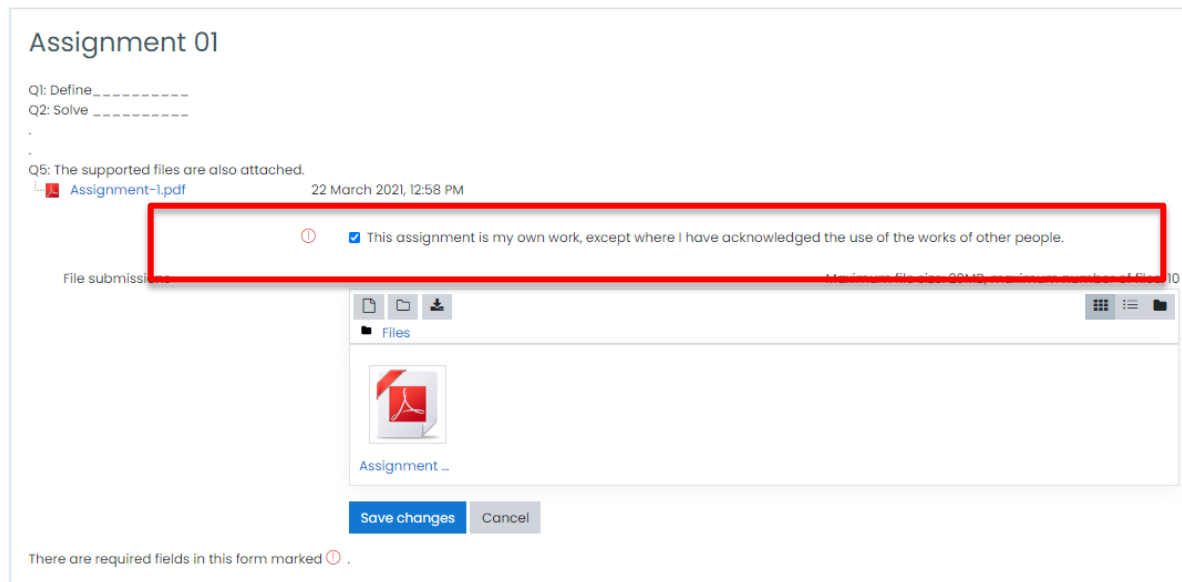

The screenshot shows the "Assignment 01" submission page. It includes questions Q1, Q2, and Q5. An attached file "Assignment-1.pdf" is shown with a timestamp of "22 March 2021, 12:58 PM". Below the questions is a "Submission status" table:

Submission status	No attempt
Grading status	Not graded
Due date	Monday, 29 March 2021, 12:00 AM
Time remaining	6 days 11 hours
Last modified	-

Below the table, there is a "Submission comments" section with a "+ Comments (0)" link. At the bottom, there is a red-bordered box containing an "Add submission" button. Below the button, the text reads "You have not made a submission yet."

- Depending on the assignment settings, either you will find a text box into which to type your work or an upload area to submit your file.
- You need to explicitly accept the “submission statement” before uploading your submissions.

Assignment 01

Q1: Define _____
Q2: Solve _____
Q5: The supported files are also attached.

Assignment-1.pdf 22 March 2021, 12:58 PM

This assignment is my own work, except where I have acknowledged the use of the works of other people.

File submission: Maximum file size: 20 MB, maximum number of files: 10
